

DEVRO

Declaration

To whom it may concern,

Please be advised that all products manufactured by Devro (Scotland) Limited are in compliance with all the appropriate EU legislation regarding collagen production.

These include:

- European Commission Regulations No. 178/2002/EC regarding the general principles and requirements of food law.
- The general hygiene rules covered by European Union Regulations 852/2004/EC
- The hygiene rules of food of animal origin covered under EU regulations 853/2004/EC, including Section XV on specific hygiene rules for collagen for human consumption
- The official control of products of animal origin, EU regulation, 854/2004/EC and
- EU Commission Regulation 2005/2073/EC on microbiological criteria

The manufacturing process is independently accredited to ISO 9001:2008 and is fully supported by a HACCP system with the regular audits by the Environmental Health Service with particular focus on hygiene, traceability and product safety.

In addition we are fully accredited to the BRC Global Standard for Food Safety and FSSC 22000 Food Safety Standards.

All of our products are considered safe for human consumption.

For and on behalf of Devro Scotland Limited.
